

AI @ SCALE

AI for smarter energy decisions and efficiency

Philippe Rambach
SVP, Chief AI Officer

**Our purpose is to empower all to
make the most of our energy and resources
bridging progress and sustainability for all.
At Schneider, we call this Life Is On.**

**Our mission is to be your digital partner for
Sustainability and Efficiency.**

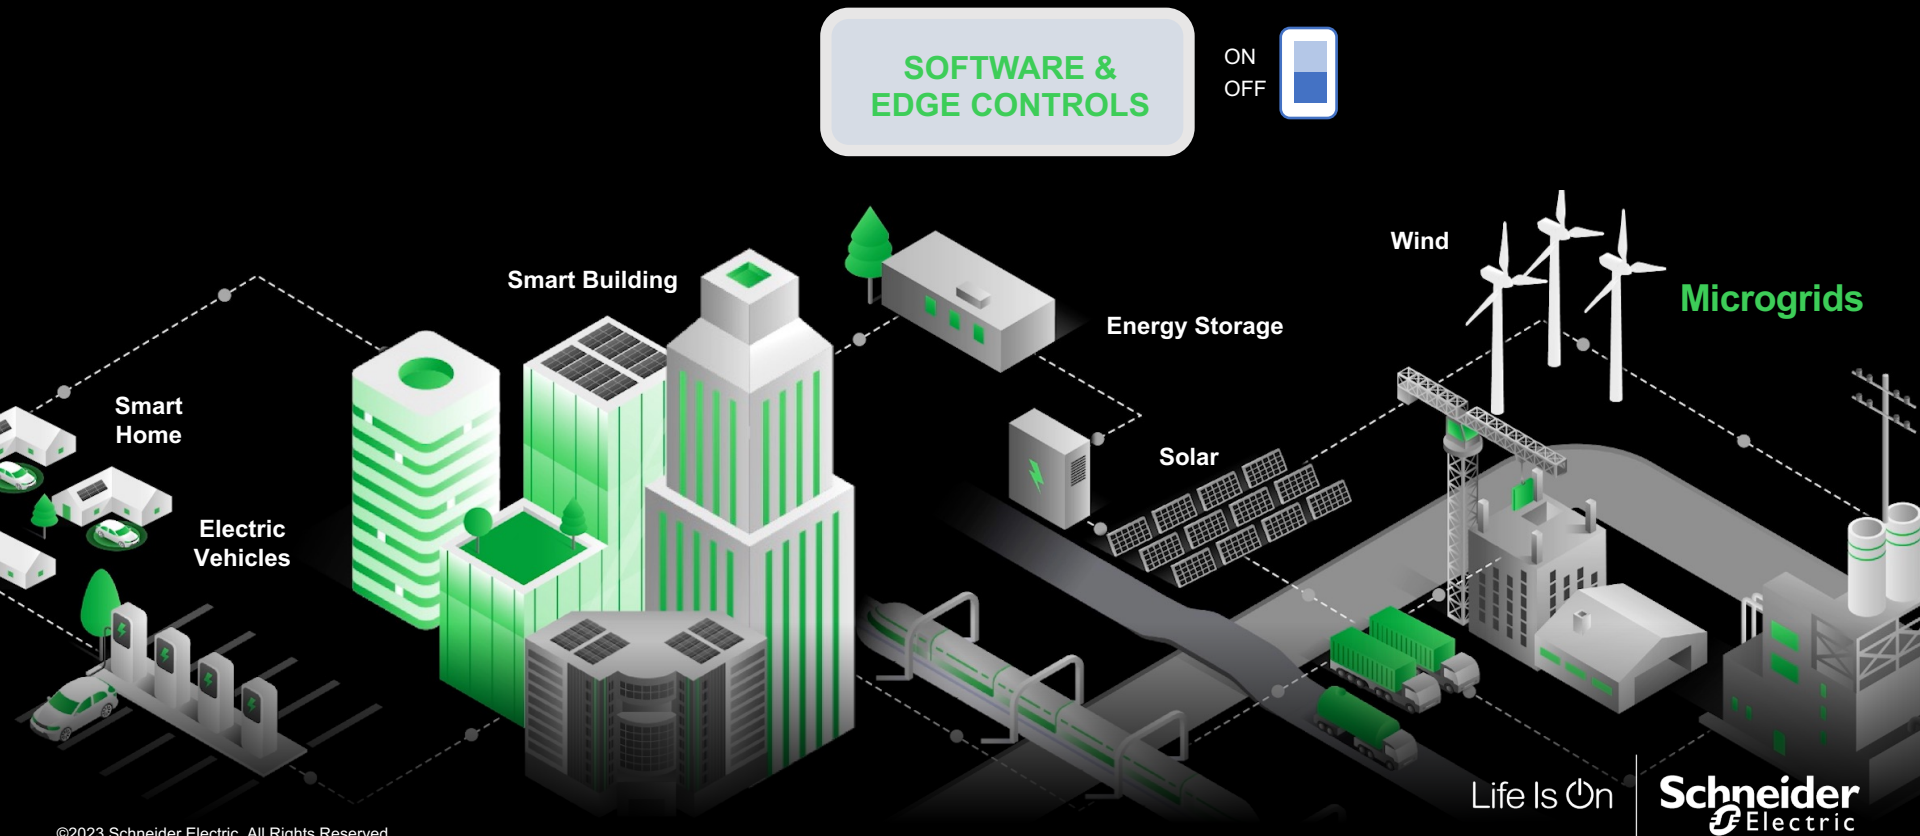

60%

of energy produced is
still being wasted

70%

CO₂ emissions can be
removed using existing
technologies

The New Energy Landscape will be a far more **electric world**

AI accelerating **efficiency and decarbonization**
