

# Surgical Data Governance

The Who, What, Where, and Why of Surgical Data Acquisition

Keith Griffis, Executive Director of Marketing, Olympus  
World AI Summit, Montreal | April 21, 2023

# Where is Surgical AI Today?

# Example of Successful Medical AI - Radiology

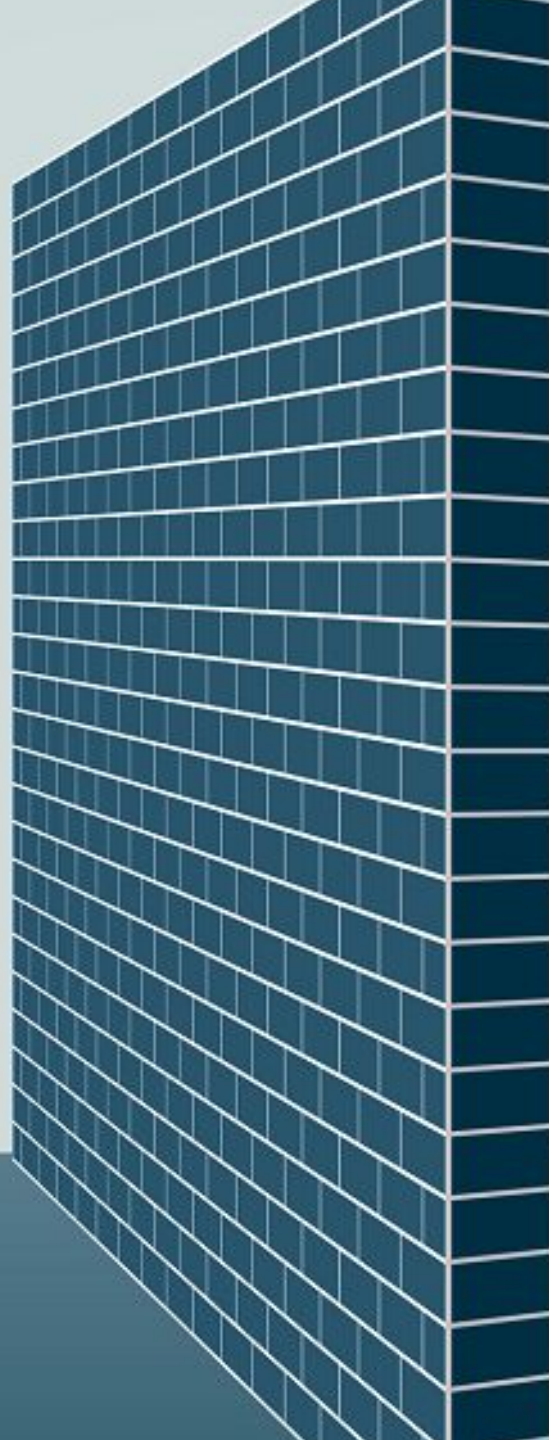

# Why has Surgery Lagged Behind?

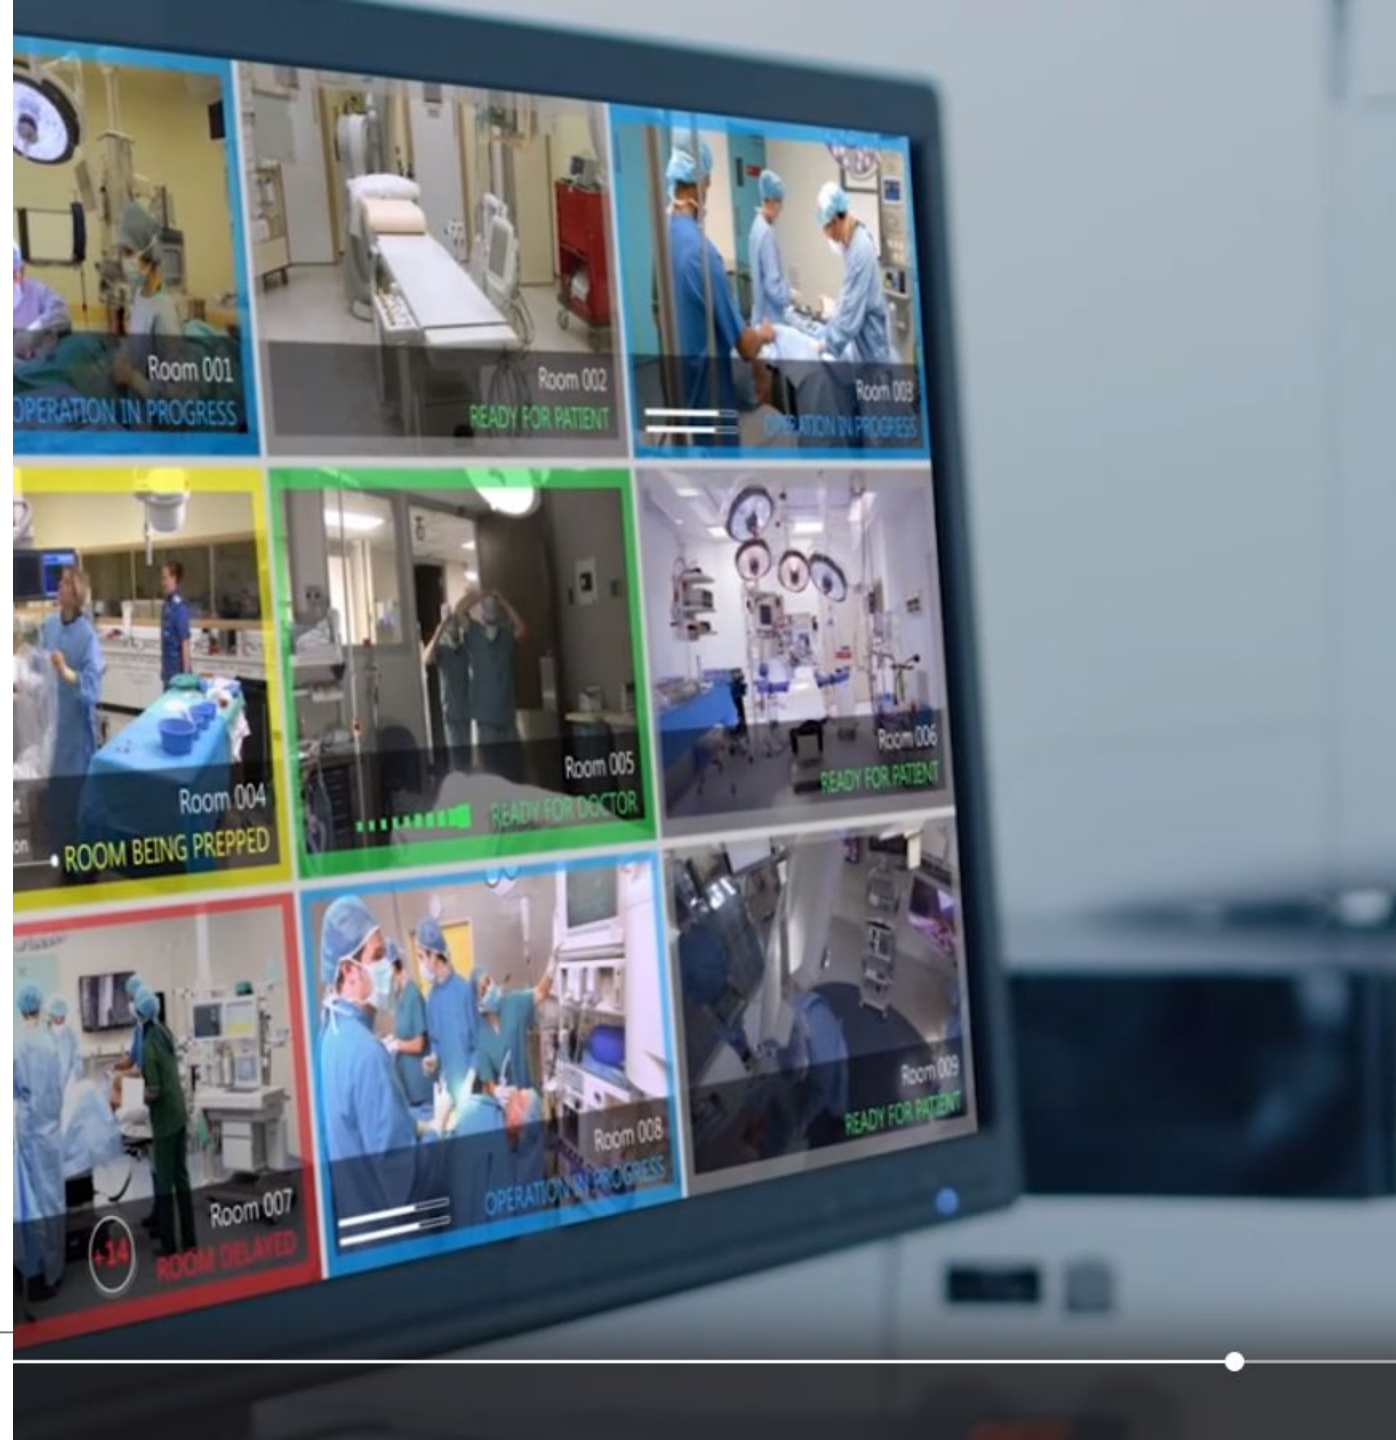

# Challenges with Acquiring Hospital Data

# Solution: Standards

# Privacy Concerns

---

# Who owns the data?

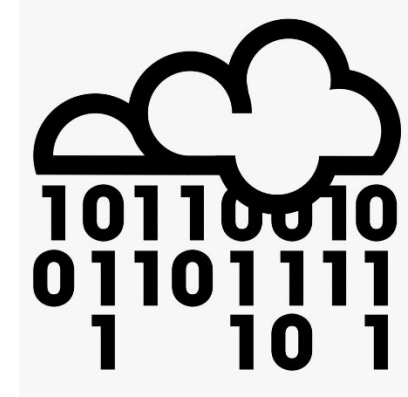

Patient  
Consent

Does it cover this  
use?

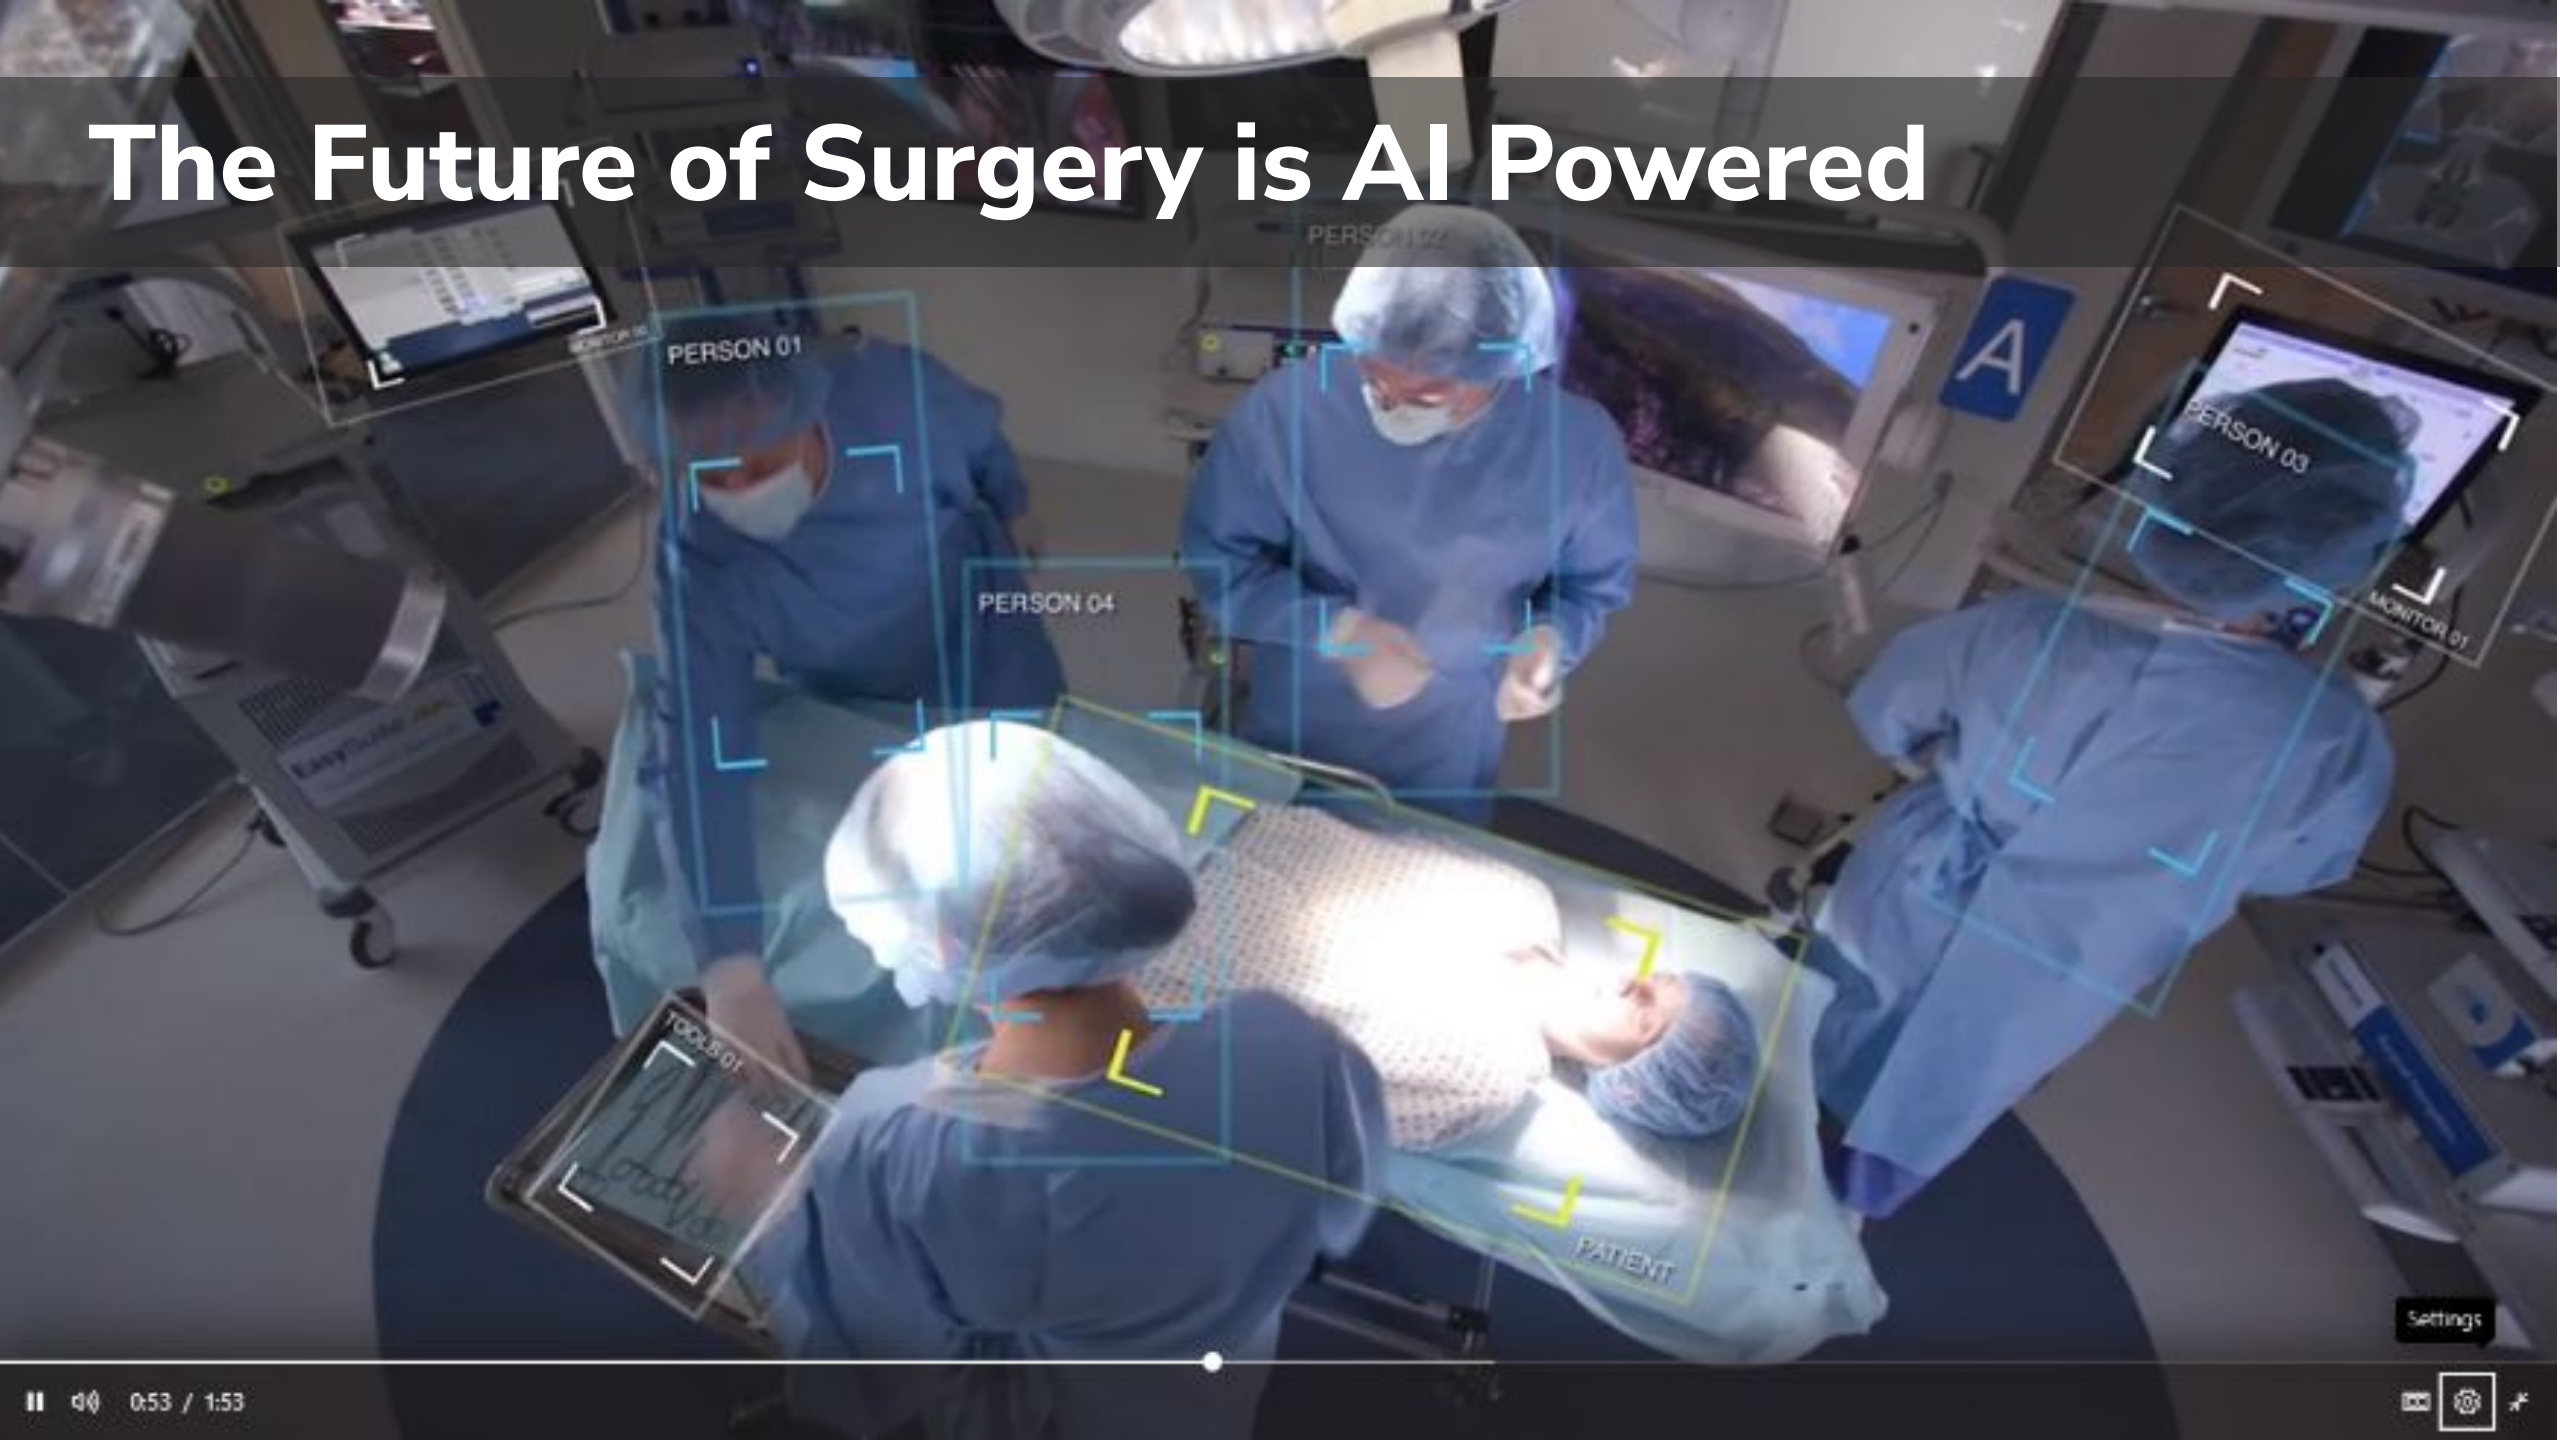

Point of Contact varies  
by Hospital:  
Surgeon, IT, Data  
Privacy?

One time use data or  
perpetual use?

# The Future of Surgery is AI Powered
