

AI@CITIES

Accelerating carbon neutrality

A grey silhouette map of Europe with white outlines of national borders. Six orange callout boxes with black lines pointing to specific cities are overlaid on the map. The cities are: Stavanger (Norway), Helsinki (Finland), Tallinn (Estonia), Copenhagen (Denmark), Amsterdam (Netherlands), and Paris (France).

City of Stavanger

City of Helsinki

Duration: 36 months (1.1.2020 – 31.12.2022)

Funding instrument:
Pre-commercial procurement (PCP)

PCP Budget:
4,666,622€

City of Copenhagen

City of Tallinn
