Private Equity

Private Equity

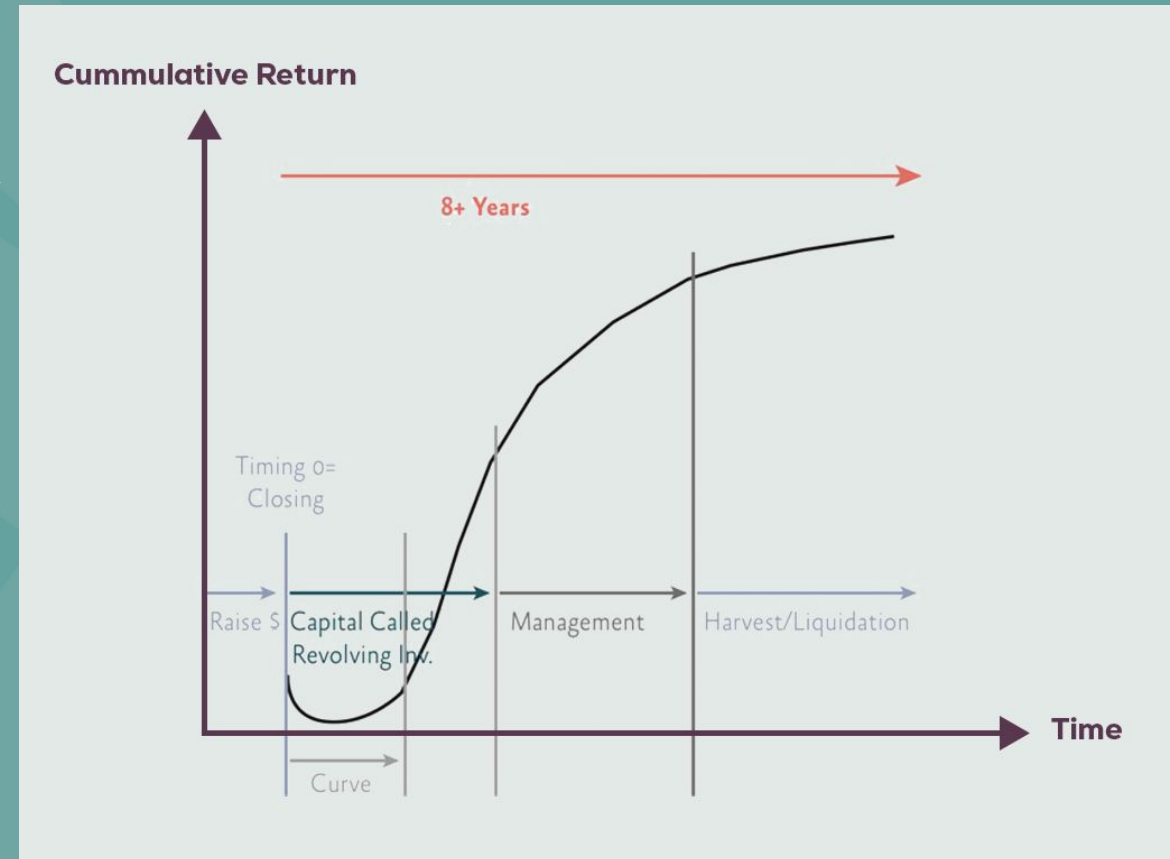

[ˈpraɪvɪt ˈɛkwɪti]

A type of alternative investment in which the investors purchase shares in privately held businesses.

The Lifecycle of a PE Fund

The 5 points of prediction..

1. The organization and formation.
2. The fundraising period. This period typically lasts two years.
3. The three-year period of deal-sourcing and investing.
4. The period of portfolio management.
5. The up to seven years of exiting from existing investments through IPOs, secondary markets, or trade sales.

The Challenges of Investors

Simplifying the challenge...

- 1) Identify a private equity fund
- 2) Monitor a fund
 - activity
 - performance
 - lifecycle
- In the head of the Investor Manager
